

2015 Inmate Programming

Throughout the year this facility has meetings and classes that are run solely by Jail Volunteers. These jail volunteers donate their personal time to come to this facility for these meetings. Currently we have **120** volunteers on our approved volunteer list.

In 2015 we required all volunteers to submit a renewal application to stay on the list. This newly adapted process will help us maintain a current list of active volunteers and it will help us to

	Name: _____
	DOB: _____
	SSN: _____
	Phone: _____
	Address: _____
	E-Mail: _____
	Emergency Contact: _____
	Phone: _____
Approved BY: _____	

identify and remove individuals who no longer wish to participate in these programs. The volunteer file is updated with a picture taken of the volunteer for their file and badge. The master file is available to the

officers assigned to Central Control where they can check all of the volunteer information and their file photo against their state ID or OLN for identification. All active jail volunteers are now issued a Jail Volunteer badge.

The Volunteer Badge has the volunteers name and photo in them. Volunteers are required to have their state ID or OLN when they check in and to wear their badge while in the facility. The meetings and classes range from bible study, AA and NA meetings and church services for Protestant and Catholic services. The facility has church service on Saturday and then 4 church services on Sunday. During the week we have male and female AA, male and Female NA, Bible study and AA special recovery meetings.

In 2105 there were a total of **2053** hours of donated time by volunteers for these meetings and classes. The time also included the Easter and Christmas programs for the inmates. The Easter and Christmas programs involved many of the regular jail volunteers. These programs are completed with 3 sessions in the gym, one for female inmates and then two for male inmates. The Christmas program for 2015 had a total of **181** inmates attend. The 2014 Christmas program had 129 inmates attend in 2014. These events are well received by the volunteers and the inmate population as well.

Another part of the volunteer involvement is our Library Cart. There are two male volunteers and one female volunteer that are her every Monday. They have donated books that are collected from various outside sources for use by the inmate population. The Library cart is taken to every range in the jail so all inmates have an opportunity to exchange books they have read during the week. Other items that are supplied by the Library cart are donated reading glasses and other approved religious reading material.

A list of the inmate programming provided by these volunteers and others covers varied aspects of the inmate population. The most involved of the volunteers are our members of the local church communities. They provide and volunteer time for Bible Study sessions, Church services in the jail, the Library cart to mention a few. Some of these churches are:

- St. Anthony in Fairport Harbor

- St. Mary in Painesville
- St. Gabriel in Concord Township
- St. Noel in Willoughby Hills
- St. John Vianney in Mentor
- St. Cyprian in Perry
- Immaculate Conception – Madison
- East Heisley Church of God
- New Mercies Community
- Leroy Community Chapel
- Painesville Assembly of God
- Mentor Baptist
- Jehovah Witness
- Islamic Center of Cleveland

Programs that are offered to the inmate population are there to help with support and assist inmates who are in recovery for their addictions. These programs are:

- Men's A.A. program
- Men's A.A. special recovery
- Woman's A.A. program
- Women's N.A. program
- Men's Bible Study
- Women's Bible Study

A general outline of when these programs take place during the week:

- Sunday Church Services – 4 times on Sunday to support a variety of denominational services
- Monday – A.A. meetings
- Tuesday – 2 GED classes and evening Bible Study
- Wednesday – N.A. meetings
- Thursday – 2 GED classes and evening Special Recovery A.A.
- Saturday – Jehovah Witness

Our inmate programming is successful only through the generous donation of the volunteers that donate their own personal time and commitment to what they do.

Jail Programming work group staff consists of:

Lt. Mark Soeder – Work Group supervisor

Sgt. Benjamin Longbons, Sgt. Scott Simpson, Sgt. Scott Capron - assists with processing volunteer applications and setting up meeting lists and tracking meeting attendance used in reporting monthly attendance for the meetings provided her in the facility.
